Basic T-Shirt Color Chart

Please allow for slight color variation. Colors are subject to availability.

We are now offering shirts in sizes up to 6X. See the Port & Company color chart for those

These shirt colors will work for any print color, and are always great for photos.

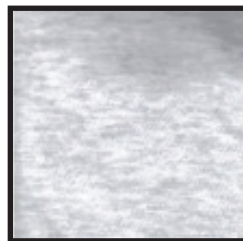

White
Infant, Toddler,
Youth, and
Adult Sizes
up to 6X

Natural
Youth and
Adult Sizes
up to 3X

These shirt colors will work for almost any print color, but they usually aren't good for photos due to their "mingled" appearance.

Ash
Toddler, Youth,
and Adult
Sizes to 5X

Gray
Toddler, Youth,
and Adult
Sizes to 5X

These shirt colors will work for almost any print color, and photos almost always look good on them, too.
